to the toll revenue. The highest bid now obtained has been approved by the Council at their meeting dated the 5th June 1943.

LETTER NO.H.C.51 of 41-42, dated the 16th March 1942, from the President, Town Municipal Council, Chamarajnagar to the Deputy Commissioner, Mysore District, Mysore.

---

In submitting herewith a resolution of the Municipal Council held on the 8th February 1942, I beg to state that the question of forming the toll for the year 1942-43 was taken up for consideration by the Council. The question was fully discussed by the members. Some of the allegations to the effect that there has been some levy on through traffic by contractors was also taken up for consideration. It was made clear that ever since the present contractor Mr Nazir Ahamed took up the toll on contract, collection work is being made smoothly and according to Law. Records pertaining to the alleged complaints were also gone through during the Council meeting It was found out that the very persons who had alleged excess collections admitted that they had come to Chamarajanagar for business and transacted business staying for more than one hour and as such the levy by contractor was perfectly legal.

Under the above circumstances the Council came to the conclusion that the allegations against the contractor were mostly personal actuated by personal ill will or other considerations. It was thought fit not to sacrifice a revenue legally due to the Municipality by taking up extra work of managing the same by amani Hence the Council have resolved to lease out the right of collection of toll gates by public auction, the acceptance of the final bid being entirely left to the Council This clause is found necessary to vest the discretion in the Council to prevent unhealthy competition and to select the most suitable person to take up the contract

I may be permitted to add that the non-official Vice President of the Municipality is not drawing any allowance further, the Mohatarfa collection itself is not receiving as much attention as it ought to from the hands of the existing staff of the Municipality The collection under toll for the past five years has been noted as per margin and toll revenue has been the chief source of income to the Municipality Since it is a revenue to be collected without a fixed demand, there is room for heavy leakage in as much as the entire collection will be in the hands of ill paid servants without a proper man to supervise their work The President happens to be an ex-officio executive officer of Government and cannot be expected to be in head quarters daily to scrutiny the collection work The Vice President is in my opinion and according to his own statement before me is unable to take up this extra burden There is no Chief Officer to the Municipality

| 1937-38 | | 7,224/- |

| 1940-41 | | 10,140/- |
| 1941-42 | | 12,000/- |

The present Sanitary Inspector is being paid Rs.92/- per mensem and I find ever since the change of Constitution of the Council the Mohatarfa arrears have increased as may be kindly seen from the following comparative figures

| | | | | |
|---|---|---|---|---|
| 1936 | February | Rs. 6,[illegible] | 5 | 3 |
| 1937 | " | 6,3[illegible] | 14 | 2 |
| 1938 | " | 7,[illegible]00 | 3 | 11 |
| 1939 | " | 6,[illegible]01 | 13 | 3 |
| 1940 | " | 6,[illegible] | 0 | 7 |
| 1941 | " | [illegible],[illegible]4 | 3 | 1 |
| 1942 | " | 7,377 | 4 | 7 |

The above figures disclose that it is not possible to take up the work from the present staff and even the office staff will not be able to maintain the current accounts without an additional hand.

Under the above circumstances, the Council have come to the final conclusion that the tolls may be leased out on contract for 1942-43 and I request that sanction of Government may kindly be obtained in the matter.
